

Healing of Arthritis in Hands - My Testimonial of what happened by visiting St Mochua's Well, Derrynoose, Co. Armagh

My name is Marian Connolly (Doohamlet – formerly from Truagh Emyvale Co. Monaghan)
I suffered from Arthritis in both my hands for the past 8 years. I wore fingerless gloves each winter
And couldn't close my hands, make a fist, nor shake hands properly with people because of my
swollen knuckles and pain in my hands. At times I couldn't even lift a cup of tea.

I was told about St Mochua's Holy Well in Derrynoose and went to the well and put both my hands
into the Well. I said some Prayers and asked God to Heal my hands. I was then given a 9 Day Prayer
to say, (The Novena of Surrender, which was written by a Priest friend of Padre Pio - Fr Dolindo
Ruotolo).

After 4 days I noticed that my hands were starting to move properly again and after 2 weeks I was
free from pain, having had constant pain for approx. 8 years. I have now had my first winter
without pain in 8 years, with full movement in both hands, so Thank you to Saint Mochua for my
Healing.

I would recommend anyone to go to St Mochua's Well, Believe in the Power of God and you will be
Rewarded. I know this because I was Rewarded. I have since taken my sister (Bernie Mc Bride, nee
Mc Kenna from Truagh) to the Well with Arthritis in both her hands and she has been totally Healed
after 2 weeks. She also said The Novena of Surrender and saw the Power of God working in her Life
too.
